

WHY JOIN THE CHAMBER

The Canadian Tamils' Chamber of Commerce ("CTCC") was established as a voluntary non-profit, non-sectarian, non-sectional organization in 1991 to "develop and foster entrepreneurship". For over 31 years, CTCC has built a strong community that consists of innovative, successful and passionate individuals who continue to lead the approximately 500,000 strong Canadian Tamil community to success.

CTCC has become the platform that connects entrepreneurs and business professionals to develop and grow in Canada's diverse economy. Through the use of educational, philanthropic and networking initiatives, CTCC aims towards enriching the socioeconomic development of the Canadian Tamil community. We facilitate local and global opportunities and provide members with a supportive environment to develop skills and promote economic growth in Canada.
